

ADOLESCENT SEXTING

Phoenix Associates has developed a presentation about sexting and social media for adolescents.

This presentation covers:

Sexting – Why it is wrong and the legal and emotional ramifications of being caught

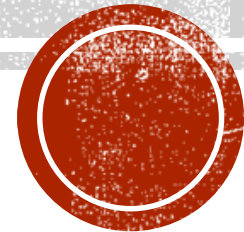

Saying NO and being assertive, what to do if you receive an unwanted text

Rumors and Harassment

Indiana State Law – It CAN happen to you

Long term effects from social media: Instagram, Twitter, Facebook and Blogs

Our program is well established and we have given our presentation multiple times in a school and social service setting.

We tailor our presentation to meet your organization's needs. Call today for pricing and to see how we can help you!
