## *Making a referral*

Attn: Probation Officers/DCS Caseworkers

To make a referral to Building Healthy Relationships, please make a referral in Kidtraks for General Counseling for the teen and both parents. This will allow for both the teen and parent to participate. Please note in the “pertinent information” box **Building Healthy Relationships**.

The referring/supervising probation officer or caseworker is invited to attend the last session for project presentations and graduation meal.

In addition, please give parents the attached instructions.
